- 1. Add 2' 9" to length with drawbar hitch; add 1' 2" to length for 2-point hitch
- Includes row markers, flip axle and fertilizer
   Includes row markers and fertilizer
- Hitch weight reduced by 1,500 lbs when flip axle is engaged (may vary with other installed options)
- 5. With dual lift assist package
- 6. Without markers
- 7. With double-frame
  8. Base machine weight depends on how machine is equipped (meters, drives, hoppers, etc.)
- \* Typical configuration (split row, marker) \*\* Typical configuration
